The Bremerton-Olympic Peninsula Navy League Council hosted a touching Memorial Day ceremony onboard the USS TURNER JOY. Colors were presented by the U.S. Naval Sea Cadets, followed with an invocation by CAPT Brown, USN. Navy League President, CAPT (RET) David Thomas, gave a reading of Colin Powell's thought-provoking Essay on the American GI.

CAPT Mark Olson, Commanding Officer, Naval Base Kitsap, spoke about the importance of remembering those that have served our country. He said "Honor is the reason (we are assembled here), honor. Honor for all Americans who have picked up arms and laid down their lives in defense of the homeland. Your great-grandfathers and grandfathers; your fathers, mothers, sisters, brothers, sons and daughters... honor them." In closing he encouraged

CAPT Mark Olson, and CAPT (Ret) Dave Thomas, BROLPN President, laid a wreath in the water at the Memorial Day Ceremony in honor of those remembered.

everyone, "May we all remember the freedoms we share, earned by those who gave their tomorrows so that we can be together here today."

The ceremony was concluded with a wreath laid in the water by CAPT (RET) Thomas and CAPT Olson in honor of those remembered on Memorial Day. District #4 VFW Ceremonial Honor Guard performed taps and the rifle salute; and CAPT Brown, USN, gave the benediction.

## President's Message

Greetings Navy Leaguers;

I started this year asking for your support, asking that you volunteer your time and effort in support of our Navy League mission. You have done well. You supported Submarine Group Trident with their celebration of the 1000th Trident Patrol in February. Our council was recently awarded the retention award at the Northwest region convention in Tacoma. We have just completed an extremely busy month of May, with many Navy League members lending a hand. You will read about those events elsewhere in the Newsletter. All of the events in May (Law Day, NJROTC and Sea Cadet Youth Programs Awards, Armed Forces Day, Lone Sailor Dedication, Memorial Day) required countless hours by Navy League members to prepare for and then conduct them. Bravo Zulu.

Looking forward, we have formed two new committees. The first is a Strategic Planning Committee that will formulate long range direction for the council and propose it to our Board of Directors for approval. The second is the Communications Committee that will bring together our various forms of communications to our members and to the public (Newsletter, Web Site, Public Affairs News releases, member emails, programs, etc.) such that we maintain a consistent message and we communicate effectively and efficiently. If you have a particular interest in or expertise in either of these areas, and would like to help, we would like to hear from you.

Our June luncheon speaker, RADM Swift, Commander Strike Group Nine, USS Abraham Lincoln Strike Group, should be a great program. I hope to see you there.

Navy History: Battle of Midway June 4-7, 1942 (The turning point of the War in the Pacific).

June Events: Fathoms of Fun Parade June 27 in Port Orchard.

# Lone Sailor Project Winds Down

“Many hands make light work” – the power of volunteerism! WOW! In January of 2007, a small group of your fellow Navy Leaguers started to explore the possibility of erecting a Lone Sailor Statue memorial in our community. Only a few “minor” details needed to be worked out – Where would it go? And how do we pay for it? Amazingly, over the course of the next two years, these questions were answered in fairly short order, and now this possibility is a reality in our community. Welcome Aboard, “The Lone Sailor”!

Steadfast from the very beginning, these Navy Leaguers deserve the highest praise, as they were truly the “Jedi Knights” of this campaign: my co-chair **Tim Thomson**, along with committee members **Doug Cook**, **Carolyn Dankers**, National Director **Carol Meteney** and **Dave Shafer**. Along the way, another key committee member, whose fundraising prowess is legendary, joined us – National Director Emeritus **Dick Vlist**. We certainly are incredibly grateful for his efforts.

Over the course of these 29 months, three Council Presidents chipped in their support: **Stan Mack**, **Guy Stitt** and **Dave Thomas**. Their council leadership helped us throughout the process, as our council continued to tread deeper into the unfamiliar areas of negotiating contracts and major fundraising issues. All the while these great leaders kept our council fiscally sound.

Key committee members who devoted significant time, talent and treasures to this project include **Lea Cook**, **Gary Gunderson**, **Jeff Kerneen**, **Louis Mejia**, and **Bill**

**Metcalfe**. Their support was truly magnificent, and they were critical to allowing us to complete the entire project in a relatively short time. Honorable mentions go to Newsletter editor, **Norma Parker**; Council publicity, **Sandra Howes Smith**; Council Director and Community Affiliate, **Tim Katona**; and Dedication Day Program editor,

**Linda Testa**.

Of course, none of this would be possible without the support of many of you who contributed to this project, as well as several key in-kind contributors.

# Kitsap Battalion Sea Cadets Participate In Lone Sailor Dedication

For the first time in a couple of years, the Sea Cadets returned to the USS Turner Joy, DD-951, to do some good old-fashioned maritime training. The morning started off with Colors at 0800 and then the fun begins!

The group was led by PO2 Mueller, LPO, in various activities such as “watchstanding” in spaces such as DC Central, the fire rooms, repair lockers and on the bridge. The cadets learned about various systems: Navigation system, Damage Control (Shipboard Firefighting), Propulsion, compartmentation (what a “tack” number is), and what Port and Starboard and Forward and Aft mean.

At the Lone Sailor Dedication at the Breakwater, the Cadets were part of “manning the rails.” After the dedication, it was time for cake. The cadets manned a table and served cake to the guests. After clean up it was back to the Turner Joy.

Cadets in attendance were: PO2 Mueller, PO3 Nelsen, SN Keller, SN Oliver, SA Young, SA Riojas, SR Kreuger, SR Burkett, SR Piercy, and our brand new cadet, SR Kreig. Officers in attendance: James Byass-Roscoe, LTJG, USNSCC, Commanding Officer; Carmen Gorak, INST, USNSCC, Executive Officer; Thomas Gorak, ENS, USNSCC, Division Officer; Peter Gorak, MIDN, USNSCC, Acting Operations Officer; WO Charles Grosvenor, USNSCC, Training Officer; Chris Miller, INST, USNSCC, Admin Officer; Alex Graham, INST, USNSCC, Asst Training Officer and Rob Medal, INST, USNSCC, PAO/Awareness Officer.

## Kitsap Battalion Sea Cadets Participate In Armed Forces Day

It was a beautiful day in downtown Bremerton for Armed Forces Day. The Cadets started with a hearty pancake breakfast at the Masonic Lodge at 0800 to get some energy for the Parade that was to follow. The local Sea Cadets provided Color Guard teams and Banner Bearers for the Navy League float and the United States Daughters of 1812, USS Enterprize Chapter entry. The entries went down the parade route and stopped momentarily in front of the Review Stand for the special guest and Grand Marshall, VADM Locklear, Commander 3rd Fleet.

After the Parade, it was time for the Navy League Gala Dinner where the Cadets greeted dignitaries and VIPs and also provided escort services to the pre dinner reception hall. It was also a special moment for one of the Sea Cadets, PO3 Nicholas Nelsen, Assistant Leading Petty Officer of Kitsap Battalion. PO Nelsen was awarded the prestigious Cadet of the Year by VADM Locklear.

It was on to Mad Moose Pizza for a celebratory pizza party.
