The Lone Sailor Arrives in Bremerton

The Lone Sailor Statue has arrived in Bremerton, Washington! Navy League National Director Carol Meteney visits our newest shipmate, as he awaits further orders. Until then, liberty is restricted to the hospitality of Navy League Community Affiliate Evergreen Transfer & Storage, located in the Port of Bremerton - Olympic View Business & Industrial Park. A big THANKS to Council Officer Tim Katona, for arranging this temporary housing at his business, and for providing the picture.

Navy League's Bremerton-

Olympic Peninsula Council - The Lone Sailor Statue project is in the final stages. We've paid off the statue, \$200,000, and as of today we have approximately \$18,000 in our Lone Sailor accounts. Our current goal is to raise at least \$32,000 more. There is still time to donate, as money is still needed for site construction and dedication, expected in

Spring 2009. The website is fixed to accept credit card donations thanks to Dave Shafer. Spread the word! www.lonesailor-bremerton.org.

BIG THANKS TO ALL FOR YOUR SUBPPORT OF ACHIEVING THIS MAJOR MILESTONE.

President's Message

Hello Navy League members and friends!

Our Council's Board of Directors and Committee members continue to achieve new milestones and significant accomplishments each. The energy and effectiveness of this group deserves applaud. I am proud to work with them. It's a nice feel being the LARGEST Council in the Northwest.

The Lone Sailor has arrived in Bremerton. We are very close to reaching our fundraising goal and just need another \$32,000 to be there. If you haven't yet donated NOW is the time. In fact if each Member of our council provided just \$5 it would make a substantial gain toward our final goal.

Tina Salter, Alice Thomas, and others have created a committee to oversee "Project Holiday Spirit". Several of our Council's Board members met with Kathy Gambill, President of the Everett Council, and learned of her efforts each year to take care of our Sea Service members and their families that are in need. In honor of her we have launched "Project Holiday Spirit" to help some local Sea Service member's families that are in need. I have sent a letter to each of our Community Affiliates looking for your support. This is one we should all participate in!

Once again, THANK YOU for being a Navy leaguer! I'm proud to be associated with all of you.

Membership Services Report

A Council with 560+ members needs to provide a variety of activities to meet the needs and interests of its members as we fulfill our mission statement and goals. We need to be proud of what we are doing and make certain to get our new members involved in our activities. How many of these events did !YOU! participate in this year?

- Our wonderful monthly luncheons that we might take for granted are unique in our area. Will Lent is to be congratulated for his efforts in arranging such great speakers and providing this venue to keep our members updated on the Sea Services.

- Our Trips and Tours are just amazing and well attended by our members. This year, I believe we have had 8 tours and Carol Meteney deserves our thanks for her hard work in this area.

- Our Memorial Day Service and our Veteran's Day Program have become major community events, thanks to Tim Katona and Sandra & Earl Smith.

- We have started a quarterly after-work social gathering for those people who prefer a more informal activity. Our next event will be in September at the Manette Side Bar at 5:30. More info later.

- Some of our members

participated in SeaFair from July 28 to August 3. Hopefully next year more members will attend. Four of us helped over 800 sailors at a welcome barbecue. These young sailors were delighted with the event.

- We participated in three parades and hosted the Chief of Naval Operations, Admiral Roughhead, at our annual Armed Forces Day Gala.

- Our outstanding website and newsletter keep our members informed of these activities and other areas of interest and serve a great PR for our organization.

- We are spearheading the efforts to bring the Lone Sailor to our area to honor those who have served and who are serving our country. Thanks Ron Testa, Tim Thomson and their committee.

- Our efforts in supporting the Maritime Strategy deserve recognition and reflect one of the prime reasons for our existence.

USS John C. Stennis Departs Bremerton

USS John C. Stennis (CVN 74) left the Port of Bremerton on September 23rd under the direction of its new Commanding Officer, Captain Joesph Kuzmick to join Carrier Strike Group 3 (CSG 3) for a two-month underway and to complete

a final series of exercises and evaluations before being certified as deployment ready. It's very exciting to see this crew operate this incredibly complex machine, said Captain Kuzmick. I'm proud to be associated with them.

Johnason with his wife, Junay, and his son and daughter greet guests at the Naval Museum at his retirement reception. (Right); Capt. Johanson accepts a beautiful display case with mementos of this many years of service with the United States Navy.

Captain Johanson will be missed in his absence, although he says, "I will return." Brad and his wife, Junay, have both been good friends to BROLPN. Brad invited our Board and our Members to many events, including the Tiger Cruise on board the Stennis sailing from San Diego to Bremerton when the ship was relocated to PSNS. Capt. Johanson has been a feature speaker at our luncheons and has attended a number of Navy League functions. He and Junay are Life Members of Navy League. Brad and Junay now reside in El

Segundo, California.

Attended by many Navy Leaguers, Capt. Joseph Kuzmick relieved Capt. Bradley Johanson as the commanding officer of USS John C. Stennis (CVN 74) in a change-of-command ceremony in the ships hangar bay Sept. 18. Commander, U.S. Naval Forces Japan, Vice Adm. James D. Kelly, was the guest speaker, welcoming Stennis new commanding officer and praising it's former commanding officer. "Capt. Johanson's legacy on this ship is one of the finest ever," said Kelly. "He will be replaced by Joe

Kuzmick, and I can promise you that there's no finer person to take Johanson's place."

Johanson commemorated over 30 years of Naval service with a retirement ceremony held at the Puget Sound Navy Museum following the change-of-command ceremony. Surrounded by his family, friends, fellow officers, leaders of the community and Navy League, Captain Johanson gave an emotional farewell to the Stennis, the Navy and Bremerton.

Come home soon, Brad. We miss you already.

Sixty-Nine Years of Dedicated Service

June 23, 2008 marked the U.S. Coast Guard Auxiliary's sixty-ninth year of dedicated service to the nation. The United States Coast Guard Auxiliary is composed of uniformed, non-military volunteer civilians who assist the Coast Guard in all of its varied missions, except for military and direct law enforcement. These men and women can be found on the nation's waterways, in the air, in classrooms and on the dock, performing Maritime Domain Awareness patrols, safety patrols, vessel safety checks and public education.

The United States Coast Guard Auxiliary was founded in 1939 by an Act of Congress as the U.S. Coast Guard Reserve and redesignated as the Auxiliary in 1941. Its 35,000 members donate millions of hours annually in support of Coast Guard. Over the past year the Auxiliary has provided over three million hours of direct support to the Coast Guard.

Over the past few years the Auxiliary has significantly increased its capacity to support Active Duty Coast Guard units in several mission areas such as Maritime Domain Awareness (MDA) and the America's Waterway Watch program. Auxiliary members are teaching tens of thousands of America's

recreational boaters, and public and private stakeholders who live, work, and play on and around America's waterfront, how to properly identify and report suspicious maritime activity for the benefit of our nation's safety and security. Auxiliary members have been incorporated into the Coast Guard's port, waterways and coastal security missions as well as providing administrative and logistical support at venues ranging from medical clinics to Coast Guard training center classrooms to foreign language interpreter services aboard deployed cutters.

Of course the Auxiliary continues to conduct its traditional recreational safety boating missions. Over the past year they have provided the boating public over fifty thousand (50,000) hours of boating safety education courses and conducted over one-hundred thirty-thousand (130,000) vessel safety checks. These education courses and vessel safety checks directly contribute to the prevention of countless search and rescue cases and lives saved each year.

He adopted the phrase, "They Fight For Us. We Work For Them" as his guiding mantra. What better way to remind folks that we are a maritime nation and a maritime nation at war, and it takes a team to win!

A retirement ceremony for Capt. Dowell, officiated by Capt. Duryea followed.

The Patrol Squadron (VP) 69 Totems, held a traditional change of command ceremony at Naval Air Station Whidbey Island, Sept. 6. Cmdr. James Nelson assumed the role of VP-69 commanding officer from Cmdr. Scott Jones.
